COMMENTS	See attached list of files housed in offices of Ezra Rapport and his assistant, Mara Smith. They consist of staff reports for city council meetings, weekly from 10/22/91, presenting policy recommendations from immediate response to fire through rebuild; backup memos submitted by staff from all departments involved in Task Force (Public Works, Planning, Police, Fire, Emergency Services); files on dealings with other agencies; some letters from community (complaints, requests, policy suggestions); minutes of meetings with all five Task Force subcommittees. See also reports released to public, 1) 1/14 "Amendment to the Emergency Order for Fire Reconstruction to the Public" and 2) 1/28 "Background Information for Emergency Preparedness and Fire Suppression District."

COMMENTS	List of city volunteers is being developed for special acknowledgement of their participation in emergency response. Five hundred volunteers staffed CRDC until permanent staff installed. Also, interagency groups - CPA's, California Bar, etc. - contributed pro bono services. Also businesses contributed food, services (Peet's coffee, Pacific Bell, etc.). Task Force headed by Jerry Leo is developing ways to honor.

OFFICE OF PUBLIC WORKS

Fire Archives Listing and Resources as of February 28, 1992

Videotapes:

- showing the damage to each property.

Photographs:

- aerial photos of burn area.
- photo of damaged properties.

Maps/Blueprints:

- parcel maps of the entire area.
- proposed parking control, evacuation routes, hazardous streets.
- topography, terrain maps(ie. for erosion control).

Letters, Notices, Reports:

- letters to property owners regarding imminent hazard. abatement, emergency response services, and variances from agencies for waste removal.
- address lists of all property owners.
- correspondence from other regulatory and safety agencies.
- correspondence to property owners regarding clean up procedures.
- correspondence from fire victims or residents or the area expressing concern about traffic, rebuilding and safety, etc.

Computer Data:

- log of requests for plans and property records.
- building (re-building) records and permits.
- spread sheets for a project to install or replace guard rails.
- street width descriptions for the purpose of street widening and parking control.

Media and Public Information:

- press releases.
- brochures and "how to" information on erosion control.
- handouts for debris removal packets.
- clipping of newspaper articles regarding the fire and OPW response and recovery activities.

Other:

- copies of RFPs for emergency response services.
- project specifications and contracts.
- reports to City Council and City Manager.
- Kaldveer Associates soil stability survey.
- sketches and work sheets related to guard rails and street width measurements.
- chronological notes on the order of Maintenance Services response to the fire.
- OPW will eventually have a listing of all properties in area to show the amount of household hazardous waste removed from each property.

Additional Comments:

The Office of Public Works is overseeing the operation of ICF Kaiser and Wildan Associates. The records and documents of these agencies are included in the aforementioned listing.

In addition, the Community Restoration Development Center (CRDC) has extensive information relating to planning, zoning and building permit activities.

COMMENTS

NFPA is a non-profit company funded in part by USDA, EPA, FEMA, etc. Work with US Forest Service, Department of the Interior, Land Management, US Fire Administration, etc., to produce National Fire Codes (of which there are approximately 260). Investigations are conducted to back up recommendations in standards-making process.

Records go back to 1896. Have records of Berkeley fire, 1923, and Oakland fire, 1970. Morgan Technical Library (Arlene Barnhart, Librarian, 617-984-7446) has records of all studies, in the form of videos, reports, publications. See attached Program Order List.

Interview with artist/fire victim June Felter, approximately one hour long. Filmed at site of June's burned house. Interview with artist/fire victim Adelie Landis Bischoff, at her burned house. Shots of them going through rubble and talking. Both women took chunks of charcoal from burned house for drawing.

Interview with volunteer fire fighter Michael McDow, who fought fire for 32 hours.

Footage shot 2-3 weeks after fire. As of 2/27 only rough cut. Final editing to be done. Will donate.
